Subject: (ROSEMONT) Letter to Jared re: ADEQ's Aquifer Protection and Air Quality Permits
Date: Thursday, July 25, 2013 9:20:00 AM
Attachments: [Hart, Stanley APP and AIR ADEQ permit.pdf](#)

All,

Attached is a letter that was originally addressed to Jared and eventually made its way to my mail box. I will leave this letter on Carter's desk.

The letter is from Stanley R. Hart of Green Valley, AZ. He addresses concerns regarding the ADEQ's permits and notes that the USACE and EPA are the "last line of environmental defense against compelling evidence for serious degradation of air and water quality ...".

Best regards,

- Shirley
